Experience

Marketing and Communications Assistant

November 2022-May 2026

University Health Services at UMass Amherst (UHS)

Amherst, MA

- Created social media content, digital displays, flyers, web content, and other creative communications to promote healthcare services and engage the campus community.
- Developed and executed campus-wide communication initiatives, translating healthcare information into clear, accessible messaging for a student audience.
- Served as the primary marketing partner for Hampshire College Health Services, developing the college's first integrated outreach campaign and aligning creative messaging with institutional goals.
- Managed and refreshed health services website content, balancing accuracy, accessibility, and user engagement.
- Analyzed audience feedback and engagement data in Excel to identify patterns and inform communication and patient-experience decisions.
- Collaborated with medical leadership, administrative teams, and executive leadership to develop and refine communications and creative materials.

Head Marketing Manager

May 2024-May 2026

Students for Sustainable Fashion & Art (SSFA)

Amherst, MA

- Led a five-person creative marketing team, assigning projects, developing content strategies, reviewing deliverables, and maintaining a consistent visual identity across campaigns.
- Developed creative concepts and multi-channel campaigns for events, initiatives, and organizational growth, translating ideas into social content, promotional materials, and event marketing.
- Led marketing for the organization's flagship Vintage Bash, attracting 1,500+ attendees and significantly expanding organizational visibility.
- Grew club-generated revenue from \$300 to \$6,000 per semester through creative programming, event promotion, and audience engagement.
- Collaborated with organizational leadership and campus partners to develop campaigns and creative assets under tight timelines.
- Experimented with messaging, promotional formats, and campaign concepts to increase awareness, attendance, and member engagement.

Strategy & Business Development Intern

February 2025 - August 2025

William James College

Newton, MA

- Conducted qualitative and quantitative research on market trends, competitor programs, and institutional partnerships to support strategic initiatives.
- Analyzed enrollment data, program demand, and feeder-school pipelines to identify opportunities and inform recommendations.
- Synthesized complex research into clear presentations and recommendations for senior leadership.
- Collaborated across academic, finance, and administrative teams to develop and execute strategic initiatives.
